- Figma
- VS Code
- Procreate
- Blender
- Conversational Spanish

AWARDS

SCC Dean's List
2023 -2024

Outstanding Student Designer
Fall Semester 2024

EXPERIENCES

Graphic Designer Intern

Agent | Lincoln, NE | January to March 2025

Help collaborate with the design team to create layouts for client projects, assist with mockups and refresh outdated materials. I also participated in client meetings, offering input to refine both designs and work flow processes. In these daily meetings and critiques, I contributed ideas and feedback, strengthening my communication and design thinking skills while gaining hands-on experience.

Environmental Tech

Bryan Medical Center | Lincoln, NE | June 2023 to current

In my current roll, I help maintain a clean, safe, and welcoming environment for both patients and staff. My responsibilities include sanitizing and preparing hospital rooms for current and incoming patients, making sure essential supplies are well-stocked and delivering items to nurses and patients as needed. I also support hospital-wide effots to promote proper hand hygiene and help prevent the spread of germs.
